THE WS ART COLLECTION

The La Belle Epoque art which adorns the walls and menus of WS New York is part of The Wine Spectator Collection. Wine Spectator Publisher Marvin R. Shanken, with his wife Hazel, assembled this poster treasure, considered one of the finest French poster collections in the world.

Both the text and the pictures share the story of a nostalgically evocative time over a century ago, "La Belle Epoque," the era of Toulouse-Lautrec, Sarah Bernhardt, Art Nouveau, and Victorian prudery alongside the naughty cancan. The images in these posters recreate the popular culture of the time, amusingly, entertainingly, and informatively. WS New York's original poster collection includes Moulin Rouge, Le Grillon, France Champagne, Divan Japonais, Rajah, Champagne Ruinart, and Contratto, among others.
